

PROFESSIONAL SUMMARY

Full Stack Developer skilled in Python, Django, and REST APIs with hands-on experience building scalable web applications, authentication systems, and database-driven platforms.

CORE SKILLS

Technical Skills:

- Python | C++ | HTML5 | CSS3 | Bootstrap5 | JavaScript
- Tools: Git, GitHub, AWS, VS Code, Django, SQLite
- Concepts: OOP, REST APIs, MySQL, PL/SQL, MVC Architecture

Professional Skills:

- Critical Thinking & Analysis
- Cross-Functional Coordination
- Conflict Resolution
- Emotional Intelligence
- Problem-Solving Under Pressure

EXPERIENCE

Full Stack Web Development Intern – Future Interns | Remote | February 2026

- Developed 6+ responsive web pages using HTML, CSS, and JavaScript, improving load time by 25%
- Implemented reusable components and optimized UI performance
- Collaborated using Git workflows (branching, commits, pull requests)

Web Development Intern – Skill Craft Technology | Remote | October 2025

- Developed 5+ responsive web pages improving user experience by 30%
- Gained hands-on experience in full-stack development workflows and GitHub version control.

Data Science Intern – Skill Craft Technology | Remote | November 2025

- Performed data cleaning and analysis using Python libraries.
- Assisted in building and evaluating machine learning models.

EDUCATION

- Diploma in Computer Science & Engineering**
Sree Dattaha Institute of Engineering & Science | Hyderabad
June 2023 – April 2026 | CGPA: 9.7/10
- Secondary School Certificate**
Krishnaveni Talent School |
Hyderabad June 2022 – April 2023

PROJECT

Smart Job Portal | Tech: Python, Django, HTML, CSS, Bootstrap, SQLite, Git

- Built a Django-based job portal with role-based authentication system (JWT/session-based)
- Implemented recruiter and job seeker dashboards.
- Implemented job search and filtering features.
- Developed REST API endpoints
- Implemented CRUD operations for job listings
- Designed normalized database schema

CERTIFICATIONS

- Certification on Full Stack Development Course - BSVS Tutorials India Private Limited
- Certification on Amazon Web Services -SV Global Services India Private Limited
- Certification on Artificial Intelligence and Machine Learning -SV Global Services India Private Limited

ACHIEVEMENTS

- Hackathon Participant – Smart India Hackathon (SIH 2026):** developed **AgriNova**, an AI-driven platform to improve farming productivity and market access and a **farmer-to-buyer marketplace**, enabling direct crop sales and reducing dependency on middlemen.
- Academic Excellence:** Achieved a **Silver Medal** for scoring **97%** in Diploma, ranking among the **top 5%** of the batch.
